President's Column

As we move into the holiday season I want to wish you all a wonderful and safe time with family and friends. Please take a moment from your busy lives to reflect upon what this time of year means to each of us, and the good fortunes that we enjoy. Drink some hot chocolate or eggnog, throw a snowball, eat too many cookies, or just enjoy watching the snow fall.

Thanks to all of you who participated in the Research Promotion Meeting in November. We had several good sessions, and decent attendance at MSOE. We even had one of our own BOG members deliver one of the presentations, which hit the mark for several of our engineers.

Just a reminder the holiday party is set for December 16th at Trinity in downtown Milwaukee, so look for the details to be sent out shortly, and mark your calendars. Spouses are welcome, and we look forward to seeing you all there.

As always, if you have any questions, comments or concerns, please do not ever hesitate to contact me or any of the Board Members.

Best Regards,
Justin Patrick
