September 17, 2013: Low Temperature Refrigeration by Dale Kuhlman

October Program & Social Gathering

Membership,

We hope you can join us this month on Thursday October 17th at 6pm for a presentation on Low Temperature Refrigeration by Dale Kuhlman with a social hour preceding.

The chapter will be providing your dinner choice of Pecan Encrusted Chicken or Bacon Wrapped Pork, *as well as picking up the tab on the first round of drinks during the social hour before the presentation.*

The event will be held at the Hilton Garden Inn located at 11600 West Park Place, Milwaukee.

This presentation qualifies for one (1) hour of continuing education, there will be a sign in sheet for those who would like a certificate for attending the presentation.

Please register in advance.

President's Column September 2013

Hello Wisconsin Chapter,

I hope this message finds you all doing well! We have officially kicked off the 2013-14 year. Jim Coogan, was our first of two Distinguished Lecturers for the year. He gave a great presentation on Control Loop Theory; our Chapter was his "first" DL Presentation, how exciting for him to be asked to participate in the DL Program. Special thanks and best wishes go out to Mr. Coogan!

For those that were in attendance at last month's meeting, if you did not receive your CEU Certificate, please contact Jason Nenonen at jnenonen@jfahern.com.

We are starting something new for the remainder of the year. From now until May 2014, each monthly meeting you attend, your name will be entered in our end of year raffle. The more you attend, the higher your chances are of winning, so make sure you are present at the meetings. We will have some great prizes for the Chapter.

This month's topic is Low Temperature Refrigeration. Dale Kuhlman will be giving the presentation at the Hilton Garden Inn off Brown Deer Road. We look forward to seeing you there. First drink is on ASHRAE!

I want to take a moment to welcome back Randy Sikkema! He has volunteered his time again, after only a short hiatus, to be our Research and Promotion Chair. We are hoping to find a motivated Chapter member to relieve him in the year to come. If you are interested please contact me at email address below.

Again, if anyone has questions, comments, concerns on how we are operating/conducting

Chapter affairs, please don't hesitate to contact me at jleffingwell@hga.com.

Have a great month people!

Jason Leffingwell

Membership Promotion

Our ASHRAE Chapter is always looking for more members. Please consider inviting a guest to join you in coming to any of the upcoming meetings. Show off what a great organization this is!

Remember to get your dues paid before the end of the year so you can take the tax deduction. It's just one more benefit of being an ASHRAE member.

Are You An Associate Who Wants to Advance to Member?

To advance from Associate to Member, you must update your ASHRAE bio online, and notify membership@ashrae.org you have updated your bio and wish to be considered for grade advancement.

Reasons to Advance ASHRAE Membership:

1. Prestige
2. Chapter recognition through newsletter
3. Chapter recognition at meeting
4. To serve on a technical committee
5. To serve in a chapter officer role
6. To serve in a regional role
7. To qualify for ASHRAE Fellow and other Society awards
8. You can add Member ASHRAE to your email tag
9. Allows your chapter to shine among other chapters
10. Society recognition in Insights
